12	Minute by the Most Noble the		States that the Report Mr Smollett has submitted of the origin & causes of the disturbances in the Golgondah Zemindary appears much at variance with his former Report. Points out the contradictory Statements and suggests that Mr Smollett be called upon for any explanation he may wish to offer – Suggests also, whether it may not be necessary to prevent the Native officers of Govt. issuing process against the Hill Chiefs or their retainers without first submitting the matter for the orders of the European Officer in charge of the District and that the Agent be instructed that before coercive measures are again adopted the circumstances which call for them must be reported fully to Govt. for its orders	19th Novr. 46	5th Jany No. 2	2d January 1847 No. 1
13			Minute thereon		2d Jany No. 3	do.
90	Minute by do.		States that it appears to him that with the exception of Mr Boileau, whose case as regards allowances is distinctly provided for – each Gentleman Officiating should draw the Salary of the Office of which he now performs the duties subject to such orders as the Honorable Court may see fit to give, and that the Civil Auditor should make this known distinctly to the Officers whose Bills he may pass. Observes that Mr Waters' claims to higher allowances than those of his Officiating appointment is under special reference to the Court	17th Decr. 46	No. 14	26th March 1847 No. 17
91			Minute thereon		2d Jany No. 15	do.
114	Minute by do.		States that he considered it his duty when complaints were preferred, supported by authority, to require Returns which would either prove or disprove the allegations made against the Collector of Tinnevelly – Observes that the Statements now submitted will demonstrate to the Honorable Court that there is no ground whatever for the imputations cast upon the conduct of their public Servants, and considers it due to the Collector of Tinnevelly to draw attention to the fact – Observes that whilst there are 40,000 Protestant christians

Christians in the District there are out of 4137 Servants - only 13 of this class in the Public Service and of these 3 are East Indians and 8 hold hereditary Village Offices - Notices that the representations made of remissions of Rent and advantages accorded to Christians are equally groundless - - - - 10th Novr. 46 | 5th. Jany No. 23 | 5th Jany 47 No. 4

116 Minute by the Most Noble the - with the Notes of the Hon. Mr. Chamier - - - - - - States his reasons for having called for a Return of Christians employed in the Public Service in Tinnevelly and other Provinces and the extent of land held by Missionaries free of Rent and that he is not aware in what point they are incomplete or defective as stated by the Senior Member - that it is alike due to Government and to its Officers, that it should be clearly stated in what respect the information is partial, that the defects may be immediately supplied - - - - - - - - - - - 24th Novr. 46 No. 25 Do.

118 - - - - - - - Minute thereon - - - - - - - - - No. 26 Do.

119 Minute by the M. N. the - - - - - - - Observes that as the Senior Member of Council does not intend to state that the information laid before Govt. respecting lands held by Missionaries and the number of Protestant Christians employed in the Public Service in Tinnevelly, is partial in the sense that it is incomplete or defective, he is not aware that there is any further information which could be called for. Objects to certain remarks being recorded in the Margin of his Minute, and requests that all comments or observations may be recorded separately, and as Minutes - - - - - - 17th Decr. 46 No. 27 Do.

134 Minute by Do. - - - - - - - - States that the Honorable Court will have had abundant opportunities of forming a judgment as to the manner in which the important duty assigned him, as Governor of Selecting Gentlemen for Office has been fulfilled and that in the instance of the responsible situations in the Sudr Court, he has been

136		Minute thereon —		No. 37	do.
151	Minute by the M N the E	States that the Honorable Court will observe that Mr. H. Morris was not entitled by Seniority in the Service to a seat in the Court of Sudr and Fouj. 382	Minute by Do.	Considers that the duty on which Mr. Inglis is employed in the Cuddapah District is as onerous and responsible as that assigned to the Majority of the Gentlemen whose cases are cited by the Civil Auditor — Notices Mr. H. M. Lewin's case and thinks Mr. Inglis under these precedents entitled to remuneration —	17th Decr 46	2d Feby No. 4	31st May 1847 No. 25
386	Minute by Do.	Has no objection to defer the question of Mr. Inglis' remuneration — Observes that it is not solely in the character of the cases brought before him that his responsibility is more than ordinary but

Colbeck of the 4th Regiment N.I. to act as Joint Magistrate in the District of Chingleput with jurisdiction within the limits of the Cantonment of St. Thomas' Mount during the absence of Captain H Power on Sick Certificate or until further orders — 8th Jany | 9th March No. 19 | 16th June 1847 No. 29

1058 Minute by Do. — Observes that as far as the Staff Regulations are concerned, Captain Colbeck is clearly eligible and that upon any other ground it rests entirely with the Commander in Chief to judge whether or not that Officer's presence is necessary with his Corps. Notices that there is not a single Officer of the 4th Regiment upon the Staff or otherwise detached — and alludes to the speedy return from leave of absence of certain officers. Remarks that the case of Captain Place is widely different, five Officers of his Regiment being on Staff and detached duty when he was temporarily employed, and that he became on his subsequent promotion the 4th Captain thus was detached in addition to the 2 Senior Lieutenants of his Regt. — 28th Jany No. 22 | Do.

1060 Minute by Do. — States that after despatching his Minute of the 28th January to the Chief Secy, it was brought to his notice, that the Officers alluded to by him had obtained extension of leave and that, under these circumstances does not desire to press Captain Colbeck's nomination in opposition to the opinion of the Senior Member of Council altho' as no Captain of the 4th Regiment is absent on staff employ and the full complement of Subalterns is present with the Corps, it is neither contrary to Regulations, nor objectionable to his being employed in an acting appointment within the limits of the Division in which his Regiment is serving — 25th Feby No. 23 | Do.

2076 Minute by the Most Noble the - - - - - Considers, it will be sufficient to refer the Honorable Court to the Minutes of the late President and the Honorable Mr. Bird on Mr. Horsley's removal from the Provincial Court for misconduct, and states that there is nothing before Government relieving that Officer from the grave censure recorded against him by the Members of Government which was entirely approved and confirmed by the Honorable Court, and with these circumstances before him he considered it his duty not to select him for the Sudr Court - - - - - - - - - - - - 13th May 28th May No. 11 29th May 1847 No. 23

2077 - - - - - - - - Minute thereon - - - - - - - 20th do. No. 17 Do.

2638 Minute by the Most Noble the - - - - States he has already given his opinion that the case of Moonietta is a subject with which Government should not interfere, and that the Advocate General's letter should be referred to the Honorable Court: that he is still of opinion that this is the proper Course, and does not therefore concur in the further agitation of the subject - - - - - - - - - - 22nd June 29th June No. 14 10th July 1847 No. 33

3384 Minute by Mr. the - - - - - - Records his views on the Report of the Sudr Udalut, on the charges preferred by Tumbisawmy Moodelly, Principal Sudr Ameen of Cuddalore and Dorasawmy, late Sheristadar of the Subordinate Court of Combaconum, against Mr. F. M. Lewin, the Civil Judge - Thinks that Mr. Lewin's conduct merits the strong disapprobation of Govt., but as there is nothing which casts imputation on his integrity as a Judicial Officer, fully approves of the act

of

of Govt., which permitted his resig-
-nation of the service, and sees therefore
no necessity for further proceedings.
Under the circumstances noticed does
not think that the Principal Sudr
Ameen Trumbisawmy should be
subject to any greater penalty than
Mr. Lewin and would therefore
express in his case also the censure
of Govt. - - - - - - - - - - - - 2d. July | 10th Augt. No. 8 | 22d Septr 1847 No. 47

3409 Minute by the M A the - - - - - Observes that the Honorable
Mr. Chamier has in his Minute the 22d
July 1847 directed especial attention to
the fact that, Cotum Royal Naidoo the
dismissed Principal Sudr Ameen
of Stohapoor was a Hindoo, and
that Trumbisawmy the Principal Sudr
Ameen of Cuddalore and his Brother
are Christians, and states that if
Mr. Chamier intends thereby to infer,
that this circumstance has led to
a different mode of dealing with Cotum
Royal Naidoo he can only express
surprise, but if this is not Mr.
Chamier's intention, he should be glad
to be informed to what his observations
refer. States that he is not aware
that the conduct and proceedings
of Trumbisawmy Moodelliar in the
Office of Principal Sudr Ameen
have been at any time brought
under the notice of Govt. unfavorably
and notices the high testimonies
both public and private, borne
to his character and fitness for

President (Cont.d)

1847

3429 Minute by the Hble the E — Observes in reference to the Honorable Mr. Chamier's Minute of the 3d Instant that, not only is the case of Tumbisawmy Moodelly entirely distinct from that of Colum Royaloo Naidoo, but he should consider it, a departure from the impartiality prescribed by the Hon.ble Court, if a Native Judge were to be removed from Office for Acts done prior to his being placed in it, and that the Hon.ble Court may not misapprehend the reference made to the religious faith of the Principal Sudr Ameen, states that these individuals are less likely to favor Protestant Missions than Tumbisawmy Moodelly, who is a staunch supporter of the Roman Catholic church and of Societies connected with the Jesuits — 6th Augt. — 10th Augt. No. 33 — 11th Septr. 1847 No. 44.

Stating

3708 Minute by the Mt. the E. — Stating that he should consider himself wanting in due regard to the Office he holds, and in Self respect, if he were to deal with Mr. M. Lewin's case as an ordinary one like Mr. Blackburne's referred to by the Honorable Mr. Chamier, and that he looks to the Honorable Court alone for such an expression of their opinion as will uphold the authority of Govt., and while Mr. Lewin's letters are allowed to remain on the Records, he never will join in any communications made to him — 20th Augt. — 24th Augt. No. 36 — 11th Septr. 1847 No. 44

3741 — Minute thereon — 26th do. — No. 5 — No. 54

3937 Minute by Do. — States that Mr. Boileau is pursuing the same course with Mr. Lewin in sending Memorials direct to the Honorable Court — his proceedings should therefore be left for their decision, and expresses regret that the Court should decline to reconsider their remarks as regards the word "Heathen" which they will have seen has no foundation — 30th do. — 14th Septr. urgently called for – Considers, that under the opinion expressed by the Sudr Udalut that the Commandant may be vested with the Criminal powers of a Principal Sudr Ameen the measure will afford great relief and that it will be necessary to extend his jurisdiction also in Civil cases, but much will even then be wanting. Proposes that the authorities be called upon to take the preliminary measures to enable the Govt. to carry out the provisions of Section XXXVIII Regulation VII of 1832 and suggests that the Officer recommended to have charge of the roads on the Hills be vested with the powers conferred by Regn. VII of 1832 which would secure an efficient and satisfactory administration of Justice – – – – – – – – – – – – – – 14th Augt. 46 | 21st Septr. No. 4 | 27th Novr. 1848 No. 29

Lewin — — — — — 7th Septr. 21st Septr. No. 25 22d Septr. 1847

4161 Minute by Do. — — — — States that in asking the Advocate General for the meaning of the term "under years of discretion," He had in view his recorded opinion which guided him in the case of a Young European Female before him in Court Martial — which opinion he thinks should be forwarded with these papers — Perhaps the Advocate General might be called on to offer any observation — — — — 23d Augt. 28th Septr. No. 23 4th Octr. 1847 No. 51

4167 Minute by Do. — — — — Notices the differing opinions held in respect of the age at which Females were deemed capable of giving a free consent, and states that for this reason he proposed to call for further explanation from the Advocate General, but as this is objected to, the papers should go up to the Govt. of India — — — 3d Septr. No. 26 Do.

4170 Minute by Do. — — — — Should regret that he had misapprehended the Honble Mr. Chamier, but is unable to see that any other view than that he stated could be deduced from the papers before Govt. and refers to the Mins. of Cons. of 9th August 1847 and Mr. Chamier's note made thereon, respecting the terms "under years of Discretion" used by the Advocate General in reference to the female Mooneatha 16th Septr. Regretting

President (Court)

1847

4387 Minute by the M. N. the E. — Regretting that the Honorable Court have not re-considered their remarks on the use of the word "Heathen", more particularly as he finds from the last number of the Ceylon Government Gazette in Circulation (4th September 1847) that Her Majesty's Govt. use the term precisely as applied here, and requesting that a copy of that Gazette may be forwarded to England and the attention of the Home Authorities again drawn to the subject — 27th Sept. 12th Octr. No. 28

Minute thereon — No. 29

4392 —

4886 Minute by Do — E — States it is to be regretted that Mr. Smollet had not in the first instance brought to notice all the circumstances connected with his proceedings in Golgondah as the Government would then not have had occasion to record the remarks made on the 29th June last; and that Mr. Smollett should now report whether there is a prospect of his offers being accepted by the Hill Chiefs and their followers — 9th Novr. 7th Decr. No. 6 — 4th Decr. 1847 No. 55

4890 Minute by Do. — E — Observes that the Honorable Mr. Chamier has misapprehended the character of the past orders of Government in reference to the proceedings of the Agent in Vizagapatam and that the orders of the 29th June last were most necessary — Is unwilling to record any remarks that may tend to depreciate Mr. Smollett's past exertions for the peace of his District, but he cannot subscribe to the opinion expressed respecting that officer's great efficiency — 18th Novr.
